Richardo Guzman v. City of Yonkers

Jeriel Alexander v. City of Yonkers
Docket no. 23-cv-5114-KMK-VR

Dear Judge Karas:

My firm represents the plaintiffs in each of the above-referenced matters.

As discussed with the Court this morning, the parties have agreed to attend a global settlement conference before the Honorable Victoria Reznik in an effort to settle all four of the above-referenced matters.

We understand that Judge Reznik will be scheduling that conference sometime in May.

To avoid incurring unnecessary legal fees in these cases in the interim, the parties jointly request that this Court stay discovery in these four cases and additionally stay the plaintiff's requests to move to amend the complaints in the matters of Turner v. City of Yonkers and Charles v. City of Yonkers, pending completion of the global settlement conference before Judge Reznik.

So Ordered.
